

Southborough Pre-School Newsletter November 2018

Hello Everybody

Thank you all for attending the Parents Evening we felt it was a success and hope that you found it informative and you had the opportunity to share information about your child.

If you did not make it to the Parents Evening and have not already done so please make an alternative appointment with your child's key person.

Happy Diwali

We have celebrated Diwali the Hindu Festival of Lights.

We read the story of Diwali and made glitter plasticine diva candle holders. The children were very interested in the demon king who had ten heads.

Fireworks – many of the children talked about watching the fireworks with their families. At pre-school we made rockets and Catherine wheels and talked about firework safety.

IMPORTANT NOTICES

Please remember that we discourage both children and parents/carers from coming back into pre-school once they have left at the end of the session. If your child has forgotten something then they can either wait until most of the children have gone home and an adult can look for it or get it the next day.

Please do not allow older siblings to run up the ramp to the back door when the children are being called out to go home.

Please could you label your child's coat and bag and if they have not got a photograph for their peg bring one in as it makes it easier for us and them to identify their belongings.

Thank you.

Children are not allowed to bring in toys from home, we have lots of

toys and equipment here for them to play with. It not only causes problems between children but tears at the end of the session when the children cannot find them.

DRINK BOTTLES The children do not need to bring a bottle of drink into pre-school only if they stay for lunch club. There is always water available in the classroom and the children are offered water and milk at snack time during both the morning and afternoon session.
